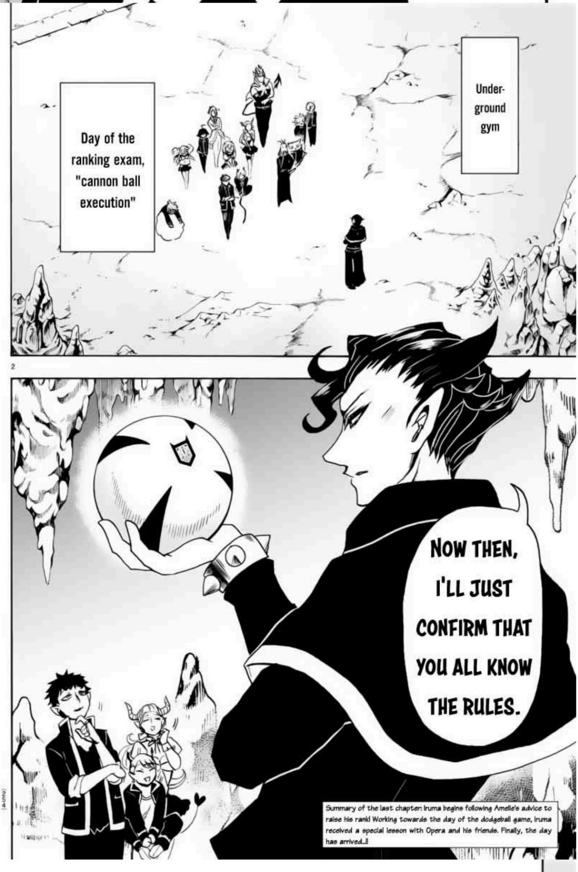
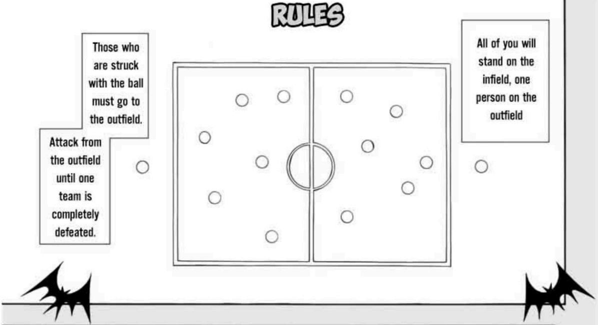
CHAPTER 15: FIERCE BATTLE WITH THE CANNON BALL EXECUTION!!

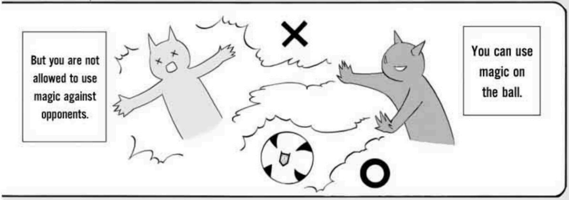


Under-ground gym
Day of the ranking exam, "cannon ball execution"
Now then, I'll just confirm that you all know the rules.

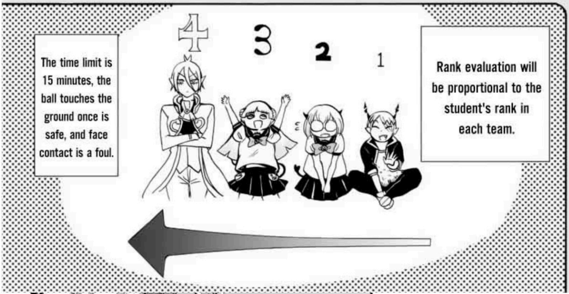
Summary of the last chapter: Iruma begins following Amelie's advice to raise his rank! Working towards the day of the dodgeball game, Iruma received a special lesson with Opera and his friends. Finally, the day has arrived...!!



RULES
All of you will stand on the infield, one person on the outfield
Those who are struck with the ball must go to the outfield.
Attack from the outfield until one team is completely defeated.



You can use magic on the ball.
But you are not allowed to use magic against opponents.



Rank evaluation will be proportional to the student's rank in each team.
